

Happy 2020!!

The Library will be the place to be in 2020 and we envision a year for change. We are already seeing that change as some of our patrons have purchased new vehicles and were accustomed to checking out our books on compact disc to listen to. Don't worry, we had them covered. The Wray Library offers Overdrive, for free, to our patrons. Overdrive allows you to download your favorite authors and their novels to your smart phone an "VIOLA" you can now play them in that new car or truck. Ask at the front desk if this is something you could benefit from also.

We will be adding STEM based learning tubs and "Can Do" cans this year that will be available for check out. These items are full of activities based on these, like the solar system, weather, time telling or counting money.

Of course, the biggest change and exciting project in 2020 will be the "Outdoor Library Beautification Project". The City, Library Board and Friends will be working together to create a space to benefit the library and neighborhood. This space is formerly known as Cedardale. The Friends have committed to hiring an architect for design ideas to kick this project off and I have been researching grant opportunities. Watch for continued updates and community meetings as we get this exciting project underway. I am so enthusiastic about this project and how it will benefit the library and patrons. If you have questions, please stop in., I'm always eager to share updates and plans.

Shara Berghuis, Director

Spring Break Games

Monday: Leprechaun Games

Wednesday: Musical Chairs Game

Thursday: STEM Building

Friday: Bingo

10:00 - 11:00

Once again the library will be offering activities for the **SCHOOL AGE** (Kindergarten and up) children to participate in during Spring Break.

Please note there will **NOT** be anything on Tuesday, March 17!!
