President	Paula Deland
Vice President	Coleen Ochoa
Secretary	Sue Crow
Treasurer	Joyce Brown

What about the Friends of the Library?

The Friends of the Wray Public Library is a nonprofit organization established in 1999 to support and promote the Library programs.

The Friends were instrumental and determined in the dream of a library expansion becoming a reality. Their efforts were rewarded with the completion in 2011.

The Friends are active in providing cookies and prizes for National Library Week, volunteering, and they help with reading incentive prizes for summer programs and welcome bags for new residents.

The goals for 2020 include a visit from a local author and also improvements in the library neighborhood.

The Friends invite anyone interested in your library to become a member in 2020.
