

Property Revitalization and Enhancement Program
(PREP)
Program Overview

PROGRAM OVERVIEW

This program is intended to provide an incentive to existing business and/or residential property owners to encourage total demolition, or renovation and rehabilitation of the exterior of buildings within the City of Wray, furthermore positively impacting the marketability and first impression of the Wray community. Thus, the Property Revitalization and Enhancement Program consists of a capped match reimbursement for materials cost incurred through in-town vendors for upcoming exterior façade improvements. Materials purchased through out-of-town vendors are NOT eligible for reimbursement through this program. Incentives will be awarded for demolition, or façade improvements that restore, rehabilitate, enhance, or beautify a structure. Reference the below “Targeted Projects” section for a list of eligible items and maximum reimbursements awards.

SECTION 1: TARGETED PROJECTS

The following list of improvements qualify for reimbursement under the Property Revitalization and Enhancement Program (PREP). Items such as flashing, hardware, paint supplies and caulking are ineligible for reimbursement under this program.

Project Description	Items Eligible for Reimbursement	Maximum Reimbursement
Demolition of abandoned or blighted property	Labor (contractor must be licensed with State of Colorado)	\$5,000.00
Exterior siding replacement	Cost of Siding	\$2,500.00
Sidewalk Restoration	Cost of Concrete Mix	\$750.00
Exterior painting	Cost of Paint	\$500.00
Replacement or painting of windows, front door, or garage door(s)	Cost of Paint, Window(s), Front door, or Garage door(s)	\$1,000.00
Tree Trimming	Labor (contractor must be licensed with State of Colorado)	\$500.00

SECTION 2: INELIGIBLE PROJECTS

The following projects do not qualify for this program.

- Fencing
- Roofing
- Landscaping
- New Construction
- Expansion of existing structure (alteration of square footage of structure)
- Projects in which a homeowners insurance policy claim has been awarded.

SECTION 3: APPLICANT ELIGIBILITY

The applicant must meet all of the following requirements to become eligible for reimbursement:

- Applicant must be legal owner of subject property
- Subject property must fall within City Limits
- Property tax must be current. Provide Certificate of Taxes Paid by Yuma County Treasurer.
- Participants must have no outstanding debts to the City of Wray
- Applicant must be able to provide materials quotes, and receipt of payment for all purchased materials.
- Applicant must utilize a contractor licensed with the State of Colorado when applying for labor reimbursement.

SECTION 4: FUNDING AVAILABILITY AND ELIGIBILITY

The Property Revitalization and Enhancement Program (PREP) is administered through the City Manager’s office will be annually evaluated by City Council with a maximum annual budget established and appropriated by City Council. The maximum annual budget is subject to change year to year. Funding for this program is made available through the City of Wray’s annual budget process and City Council approval. The City reserves the right to terminate or modify this program at any time prior to approval, based on financial availability.

Project labor costs are ineligible for reimbursement through this program except when applying for demolition reimbursement or tree trimming. Projects in which an insurance claim have been filed on are also ineligible for reimbursement.

Applications will be reviewed twice per year: February 15th and August 15th. Applications submitted to the city prior to these dates, or in between these dates after applications have been reviewed will be held until the next review cycle. All applications received after the annual budget for the year has been expended are ineligible for reimbursement, but may be resubmitted for consideration the following budget year. During review of applications, the City will determine the total amount of eligible reimbursement for each project element based upon materials quotes provided and the scoring rubric/project funding calculation included in **SECTION 6: SCORING RUBRIC** of the program overview.

All applications approved shall expire and be of no force and effect one (1) year from date of issuance. Retroactive applications for projects completed prior to program inception will not be accepted. Additionally, projects completed prior to receipt of Conditional Letter of Approval are ineligible for reimbursement.

SECTION 6: SCORING RUBRIC

Prior to submitting a formal application, parties may inquire as to the eligibility for the program based on the following rubric. This initial response shall in no way represent definite findings or be construed as an expression of intent or obligation of the City of Wray for approval of reimbursement. The pre-application eligibility inquire shall be deemed to be proprietary information and shall be kept confidential. The City will only consider incentives for businesses or residents that submit a complete formal application, City building permit, and provide all information as may be reasonably requested. Total amount of reimbursement will be calculated on the following:
