Over the course of the past week, the City of Wray has monitored closely the Coronavirus (COVID-19) spread. The City has established protocols and response plans in conjunction with state and local health officials, school districts, and other agencies.

In light of the recent concerns and for the safety of our community and staff, the City of Wray Recreation, Library, and Museum programs will be postponed as of March 13, 2020 through March 31, 2020. The City of Wray will continue to monitor the situation, utilize guidance from state and local health departments, and reevaluate as necessary.
