I, the above mentioned owner of co-owner, certify that I will follow all requirements for operating a Golf Cart/UTV within the City of Wray. I certify that the Golf Cart/UTV being presented or a permit is insured and I provided accurate information for the application form. I further state that my regular driver's license has not been Suspended, Revoked, or Canceled for any reason in any state. Furthermore, I understand that by signing below, I promise not to modify my Golf Cart/UTV in any way that would violate any part of the Golf Cart/UTV ordinance. I also understand that if I do violate any part of the aforementioned ordinance governing Golf Cart/UTV operation, my privilege to operate a Golf Cart/UTV in the City of Wray may be revoked along with other penalties, disallowing me from further operation of a Golf Cart/UTV with the City of Wray. Any persons in violation of any city or state traffic laws will be ticketed and assessed fines that are applicable to said violations. The police department or any other legal authority is given all rights to write citations to those individuals breaking laws as outlined in this chapter.

By signing below I agree to the above mentioned statement and attest that all the above information is true and correct to the best of my knowledge.

GOLF CART/UTV Rules and Regulations

Utility type vehicles (UTV), Motorized golf cart, electric golf cart, engine powered golf cart or low speed electric vehicle as defined by section 42-1-102, Colorado Revised Statutes, as amended, are not allowed on the streets, avenues, alleys or highways within the City of Wray, except as follows:

Pursuant to a permit granted by the Wray Police Department. Individuals shall submit an application to the Wray Police Department, including a non-refundable applicable fee as set from time to time by action of the city council and set out in the City fee schedule.

1. Under no circumstances shall any unregistered vehicle be allowed access to any street, avenue, alley or highway, including U.S. Hwy 385 and U.S. Hwy 34, which is contrary to State law.
2. All applicants and operators must possess a valid driver's license and have a valid driver license on their person when operating vehicle.
3. All applicants must show proof of compliance with State law pertaining to the operation of the utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle.
4. All persons shall operate the utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle in compliance with this chapter, as well as all other relevant State traffic laws.
5. No utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle may be operated later than sunset, nor earlier than sunrise.
6. No person shall operate a utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle while using cellphones, headphones, or other communication or audio devices, except an operator and passenger may wear hearing protection devices when involved near loud industrial or commercial activity. The making of unnecessary noises upon, near or adjacent to the streets, highways and other public places in the city is declared to be a public nuisance. The enumeration of the particular offenses particularly defined in Section 9.24.080 through Section 9.24.120 of the municipal code shall not be construed as limiting the generality of those sections, or limiting the offenses thereunder to the particular offense therein enumerated.
7. Upon request of Law Enforcement, all applicants shall provide proof that any utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle used pursuant to a particular permit complies with State law pertaining to the operation of said vehicle.
8. No person shall operate a utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle in excess of the posted speed limit.
9. Every utility type vehicle (UTV), electric golf cart, motorized golf cart, engine powered golf cart, or low speed electric vehicle operated in the City limits shall comply with the vehicle insurance requirements of section 1409 of the Model Traffic Code for Colorado municipalities. Additionally, the applicant shall obtain and provide evidence of a general liability policy with limits of one hundred thousand dollars (\$100,000.00) per individual and five hundred thousand dollars (\$500,000.00) per incident.
10. All occupants must be constrained by a safety belt while vehicle is in operation and comply with manufacturer intended use.
11. All riders under the age of 18 are required must wear on his or her head a crash helmet. All riders must wear protective eyewear approved by the United States Department of Transportation. Required protective eyewear does not apply if the vehicle is equipped with a windshield. The operator and each passenger must wear a properly adjusted and fastened safety belt.
12. Permit shall be for a term of no longer than one year commencing on January 1 and expiring on December 31, but may be renewed or denied annually by the Chief of Police, upon an application by the permittee to the Wray Police Department.
